

JOB TITLE: ASSEMBLY TECHNICIAN (PART TIME)

Location: Vancouver, BC

VodaSafe is an exciting young company working to transform the water rescue industry. Our first product, AquaEye®, is a hand-held scanning sonar device for waterfront rescue that was launched in 2019 and has been adopted by search and rescue organizations across North America.

The Assembly Technician will be reporting to the Product Engineer and will be responsible for supporting assembly, quality control, and inventory of finished products. The ideal candidate will have high attention to detail, good organizational skills, and holds a high standard of quality.

The position is part time, 3 days a week.

All team members are expected to support the mission on the company, often wearing multiple hats and remaining flexible in their job duties.

JOB RESPONSIBILITIES

- Assemble products from mechanical and electrical parts and subassemblies
- Perform inspections and quality control on parts and assemblies according to detailed instructions, drawings, and procedures
- Work with existing configuration system to keep records of inspections and builds
- Work in a timely manner to meet manufacturing schedule deadlines
- Identify when a part or assembly is out-of-spec and take appropriate action to identify troubleshooting steps
- Support R&D team by assisting in running tests and collecting data
- Perform maintenance procedures on customer products
- Package and ship products to customers as sales are made
- Manage inventory of parts and finished goods and keep inventory records up to date
- Maintain a clean and organized workspace

REQUIRED KNOWLEDGE AND EXPERIENCE

- Technical training in product assembly or similar
- Experience with hand tools, light assembly, and/or machine shop
- Basic knowledge of electrical and mechanical systems
- Familiarity with engineering drawings an asset

- Strong written and verbal English communication skills
- Must be a self-starter with the ability to work well within a small team, communicate effectively, thrive in a dynamic work environment

WHAT WE OFFER

- Flexible and dynamic work environment
- Opportunity to work on a variety of tasks and be a part of the creation process of new products
